Re: Decision No. 62103, Unbundled Distribution Tariffs, Docket Nos. E-01933-A-98-0471, E-01933A-97-0772 and RE-00000C-94-0165

Dear Ms. Madrid:

Attached please find a revised version of Tucson Electric Power Company's Residential Rate 01. The revisions made to these tariffs include a reclassification of TEP's Uncollectibles charge from a system benefit charge to a distribution charge and the addition of an effective date of January 1, 2000. Additionally, the charges within the tariff have been sorted to group the Uncollectibles charge with the distribution charges. TEP has submitted a revised copy of Rate 01 to the service list as an example of this correction. All other rates will be revised accordingly and are being filed with the Arizona Corporation Commission.

Tucson Electric Power Company's revised tariffs will be made available on TEP's web sites located at: www.tucsonelectric.com and [Http://partners.tucsonelectric.com](http://partners.tucsonelectric.com).

Thank you for your assistance in the filing of this revised document. If you have any questions, please do not hesitate to contact me.

Best Regards,

David Couture
Director of Regulatory Affairs
